*There is no greater loss than the death of a beloved child.*  
-Dr. Joanne Cacciatore

My name is \_\_\_\_\_ and I'm raising much-needed money for the MISS Foundation, an organization that helps families facing the death of a child. I am participating in a SILENT BAREFOOT WALKABOUT in memory of \_\_\_\_\_ on Saturday, October 30, 2010 to recognize Infant and Child Death Awareness Month.

I, along with many other bereaved parents, siblings, and grandparents, will be walking up Brewer Trail in Sedona, Arizona completely barefoot to remember and honor those precious children who died before their time. Please sponsor me by writing a check to the MISS Foundation for the amount below:
